~~VII-1.1.1(2) of this section~~ Policy 7-1.1.9, which are hereby adopted as the level of service standards for recreation sites and facilities. In addition to measuring acreage of facilities based on population, Level of Service will also be measured based on a radius standard.

Reason for Amendment: Address geographic distribution of parks in the City.

Policy 7-1.1.2: Monitor and Update Recreation Demand and Supply Analysis.

The City shall update on a continuing basis the recreation land and facility demand/supply analysis contained in ~~Tables VII-7 and VII-11 of the Comprehensive Plan: Data Inventory and Analysis. This shall be partially achieved by continuing efforts toward collecting, maintaining, and updating data concerning public and private resource inventory, recreation improvement, and demand factors, and by improving design criteria and evaluation to attain a high quality park and recreation system.

Reason for Amendment: Update.

~~**Policy 7-1.1.6: Peary Court as a Recreational Resource.**~~

~~The City shall negotiate with the U.S. Navy in order to achieve a perpetual joint use and management plan for Peary Court which realizes the long term value of this area for recreational use. In~~

~~addition, if the negotiated plan for joint use and management cannot be achieved, then the City should consider acquisition of Peary Court through a land swap, lease purchase, or other similar negotiated transaction. The City will construct public baseball/softball diamonds at the City's unimproved Salt Pond recreation site if the proposed acquisition or use of Peary Court is not achievable. However, these facilities are not required to meet the level of service standard until after 2010, the horizon year of the plan.~~

Reason for Amendment: Update – no longer applicable.

Policy 7-1.1.76: Utilize Creative Concepts of Urban Design and Conservation of Environmentally Sensitive Open Space. Policy 7-1.1.98: Designation or Acquisition of Natural Reservations. "Natural reservations" are areas designated for conservation purposes, and operated by contractual agreement with or managed by a federal, state, regional or local government or nonprofit agency such as: national parks, state parks, lands purchased under the Save Our Coast, Conservation and Recreation Lands or Save Our Rivers programs, sanctuaries, preserves, monuments, archaeological sites, historic sites, wildlife management areas, national seashores, and Outstanding Florida Waters.

As part of the City's annual review of needs for recreational sites and facilities (See Objective 7.1.1), the City shall consider waterfront redevelopment improvement needs, particularly the potential for new access points to the Ocean and the Gulf, including areas to support parking demands generated by shoreline access improvements.

As such land, facility, and improvement needs are identified; the City shall investigate the potential of funding such conservation programs through use of public or private not-for-profit agency resources.

Policy 7-1.1.9: Standards for Level of Service. The minimum acceptable Level of Service standard for recreation and open space facilities in the City of Key West shall be: five acres of recreation and open space per 1,000 permanent residents, and; the following radius standard:

Land development regulations shall continue to include specific criteria for design of these improvements. During this site plan review process the City shall mandate that proposed recreation and open space improvements comply with adopted level of service standards for drainage. Upon adoption of the master drainage plan programmed for completion and adoption by 1994, the~~ The City shall continue to implement the recommended drainage criteria by mandating that all proposed public recreation and open space systems comply with the adopted site plan review criteria.

Reason for Amendment: Update.

OBJECTIVE 7-1.3: ACCESS FACILITIES. ~~Upon plan adoption, To the greatest extent possible,~~ all public recreational facilities shall be made accessible to automobiles, bicycles and pedestrians.

Monitoring Measure: The inclusion of accessibility improvements to City parks in the Capital Improvements Schedule.

Reason for Amendment: Update.

Policy 7-1.4.1: Require Access Points to be Provided as Needed. ~~Upon plan adoption the~~ City shall adopt amended land development regulations which include performance criteria designed to ensure that public access is maintained ~~an average of a half mile of~~ to natural or renourished beaches. The minimum standard for beach access acreage shall be one half (½) acre per one thousand (1,000) population consistent with the State DNR standard for public beach access. Currently the City has

~~over twenty-three (23) acres of public beach. Considering the City's projected permanent and seasonal population (41,617 and the standard for beach access cited in Policy 5-1.9.1), the City has sufficient beach access to satisfy beach access needs through the year 2010 (41.6 ÷ 2 = 20.8 acres) The City shall continue to seek to maintain and improve public access to natural and renourished beaches.~~

Reason for Amendment: Update.

OBJECTIVE 7-1.5: PUBLIC AND PRIVATE COORDINATION IN PLANNING AND IMPLEMENTING RECREATION IMPROVEMENTS. During its annual review of recreation site and facility needs (~~See Objective 7-1.1.~~), the City shall coordinate planning for recreation improvements with each level of government, including the Monroe County School Board, major environmental interest groups, and the private sector in order to promote recreational opportunities, including environmental education activities, in a cost effective manner.

However, passive recreational open space required as a condition of development approval shall be provided and maintained in perpetuity by the applicant or successors in title. Upon plan adoption the land development regulations shall include criteria requiring that where such passive recreational open space is required as a condition of development approval, the applicant shall provide written assurances acceptable to the City's legal counsel who ensures the perpetual use and maintenance of the recreational open space. Notwithstanding, the City and an applicant for development approval may enter into an agreement whereby the applicant dedicates the recreational open space to the City, thereby ensuring the recreational use and maintenance of said property in perpetuity.

Reason for Amendment: Update.

Policy 7-1.5.3: Coordinate with the Private Sector. ~~Upon plan adoption the~~ The City shall ~~adopt amended~~ continue to enforce land development regulations to include a mandatory recreation land dedication, regulation or fee in lieu thereof. Reason for Amendment: Update.

Policy 7-1.5.5: Utilize Grantsmen and Other Appropriate Fiscal Advisors. The City shall ensure that the advantages of all appropriate local and non-local sources of financial and technical assistance are sought and received. Alternative funding sources and impacts must be monitored continually so that appropriate evolving State and federal assistance programs shall be aggressively pursued to ensure the attainment of recreation objectives in a cost effective and fiscally equitable manner.

Policy 7-1.5.6: Improve Coordination With Other Human Service Planning Efforts.
